Dear Mr. Payton:

This is a final response to your 30 May 2014 Freedom of Information Act (FOIA) request, received in the office of the Information and Privacy Coordinator on 5 June 2014, for "copies of all requests – filed under the Freedom of Information Act – from January 1, 2000 to March 30, 2014, submitted by the entities and their legal representatives" as listed in your letter.

We have completed a thorough review of your request and have determined that our record systems are not configured in a way that would allow us to perform a search reasonably calculated to lead to responsive records without an unreasonable effort. The FOIA does not require federal agencies to perform research, create records or conduct unreasonable searches through a body of material to see if any of it is related to a particular request. Therefore, we must decline to process your request.

Sincerely,

Michele Meeks
Information and Privacy Coordinator
